Verse 2:
Dim the light every night
Guaranteed to blow your mind
I see you out in the streets
Calling for a wild time.
So you sit home alone
'Cause there's nothing left that you can do
There's only pictures hung in the shadows
Left there to look at you.

You know she lights the lights at night
On the neon Broadway signs
She don't really mind
It's only love she hopes to find.
